Shipp Urges Shots For Hancock County Kids

C. M. Shipp, head of the health department and Pearl River County, Miss., urged that all children in the first and second grades in the two counties get a second shot of polio vaccine, said Shipp. "We want full protection for our children, and we are preventing polio and are interested in merely giving them a second shot."

Last week, the Health Department functioned the entire week Hancock County in giving the second shot of the series of Salk vaccine. We will continue to give second shots to all children who received their first shot until we have used our quota of vaccine.

These vaccinations will be in along with the several vaccinations being given by the health department. We urge all parents to bring their children as soon as possible so we would like to finish this program.

There will also be the third vaccination of the series that will follow at a later date.

NEIGHBORS GROUP HAS SQUARE DANCE

Guitars and banjos hummed happily, and old and young alike danced in the circles and squares of the dancing when the Know Your Neighbor group met last Thursday evening at the Youth Center.

Music was played by Norvin Kelly and his well known recording band. Hillbilly music with square dancing set the mood of the evening, and the approximately 150 persons present all agreed it was one of the "best" evenings they had had in many a moon.

Sponsoring of the get to gether has been turned over to the local merchants. Every other Thursday the groups will meet at the Youth Center. On each of these evenings some merchants will act as official hosts. Acting in this capacity at the last Thursday were Mr. and Mrs. Warren Carver, representing the firm of Monti-Carver, Plumbing Contractors.

The next event evening will be on Thursday, June 30, at 8 p.m. at the Youth Center. Mr. and Mrs. Gordon Glavin, owners of the Sunshine Ice Cream Parlor, will be hosts.

Music for this affair will be furnished by Fip Johnson and his band. Miss Dorothy Hoda will be vocalist with the band.

All newcomers to the community are urged to attend these affairs. There is no cost, and it is an excellent opportunity to meet the people of this community. Mr. resident of Hancock County is welcome, and it is hoped that the attendance increased.

In addition to dancing, games, or just chat may be had.

ATTEND WORKSHOP ON SCHOOL ADMINISTRATION

HATTESBURG (Special) Five teachers from Bay St. Louis were among the 67 teachers and public school officials enrolled for the week's session of Mississippi

MAKE PLANS FOR WAR ON MOSQUITOES

A meeting was held Friday in Gulfport with Mississippi and Louisiana residents present to seek information on possible dealing with the mosquito problem.

The meeting was called by the Board of Supervisors of Harrison County. Representing Hancock County were Representative Walter James Phillips, Mayor John Seaford, Dr. C. M. Shipp, head of the Hancock Health Department, Dr. John Dicks and Howard Le Tissier.

A temporary committee was formed composed of the Mayors of all Coast municipalities and the Presidents of the Boards of Supervisors of the three Coast Counties.

The Louisiana group will submit a list of delegates to represent their state on the committee.

The program will be divided into two parts, the immediate local problem and the long range problem of controlling the marsh mosquitoes.

Walter James Phillips, State Representative, had previously called the subject to the attention of Congressman Wm. Colmer. Colmer forwarded a letter to Phillips which he received this week from Leonard A. Scheele, Surgeon General of the United States.

In part the letter read:

"The Public Health Service maintains specialist in its Communicable Disease Center in Atlanta for the purpose of assisting State and local health agencies with health problems which exceed State or local resources."

"Since the State is primarily responsible for health problems within its borders, the Public Health Service works through State health agencies. If the problem is of such a nature that additional assistance is needed, the State officials may make a request for assistance to the Public Health Service. Within the limits of its current program, the Public Health Service can then assist by determining breeding areas; by identifying the mosquitoes as to type; by recommending control procedures; and by providing technical assistance to State and local personnel involved in the program."

"In regard to the serious mosquito situation in Louisiana, Dr. S. J. Phillips, State Health Officer, has requested our assistance in defining the actual problem. Two specialists from the Communicable Disease Center are currently working in the Gulf area of Louisiana. They are engaged in making a survey using aerial reconnaissance to determine the mosquito breeding potential of that area. These data will make it possible to establish cost estimates involved in control operations. A report of the findings will be submitted to Dr. Phillips."

Southern's fourth annual Workshop on School Administration which ended Friday, June 17.

Attending were L. C. Lumpkin, Sol J. Ingram, Mrs. Jeanne D. Williams, Maude Ladner and E. E. Ireland.

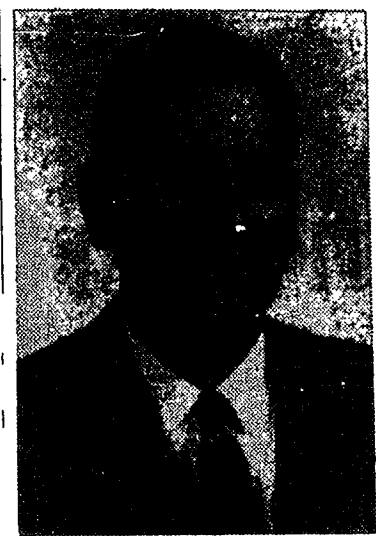

TWO LOCAL BOYS WITH FIRST PLACE STATE BAND AT N.J. LIONS CONVENTION

The Mississippi band won first place at the Lions International Convention at Atlantic City N. J. yesterday in competition with 50 other bands from 48 states.

Two local boys, Jerry Bienvenu and Jimmy Raymond, both from St. Stanislaus, were members of the group.

The Mississippi band was made up of outstanding young musicians throughout the state.

Ellison New Methodist Minister

The Main Street Methodist Church will have a new minister this week. The Rev. Charles Schultz, who has been pastor of the church for the last several years will transfer to Lucedale.

The Rev. A. M. Ellison, who will replace Rev. Schultz, is known to this congregation. He was pastor of the Methodist Church here during the early years of World War II, and left here to serve as a Chaplain in the Army. Following the war he served as a Chaplain at Keesler Field, and from that post took the pastorate at Lucedale.

Brothers Fete Anniversary

To celebrate the silver anniversary of their religious profession, a banquet was held Friday, the feast of the Sacred Heart, honoring Brothers Alban, Alvin, Elbert, Alphonse and Remigius.

Brother Athanasius, dietitian at St. Stanislaus in the absence of Brother Cyrus, prepared the dinner. Guests of the Brothers at the banquet were the Rt. Rev. Monsignor McCarthy and the Rev. Fathers Robinson and Leonard of Our Lady of the Gulf Church.

Monsignor McCarthy was included among the honorees as this year is the anniversary of his ordination.

STREET DANCE SLATED IN WAVELAND MONDAY

The entire community is invited to attend the gala street dance to be held Monday night, June 27 in front of the Town Hall of Waveland on Coleman Ave.

The dance is being sponsored by Oren Seal. All candidates running for office are invited to attend and speak to the gathering.

Music will be played by Danny Seal and his Hambone Boys.

ARC OFFICERS ARE NAMED

New officers were elected at the meeting held Wednesday by the local Chapter of the American Red Cross.

J. Cyril Glover was elected Chairman; vice chairman, Kenneth Pepperdine; 2nd vice chairman, A. P. Adams; secretary, Mrs. David McDonald; Treasurer, Alvin Genin.

John J. McDonald retires from the Board after serving for two years as chairman, as does Alvin Weinfurter, who served as 1st vice chairman for the same period.

Retiring after eleven years as treasurer was Roy Baxter, Sr.

Serving on the nominating committee were Mrs. J. B. Goldman Sr., Leo Seal, Sr. and Lucien Gex, Sr.

The newly elected board will take office in July.

LEWIS TO DIE TODAY

Circuit Judge Arthur Jordan has refused to stay the execution of Mack Lewis, condemned to die for the killing of Kenneth Mason, New Orleans man, near Pearlington last year.

Lewis is slated to die today in the gas chamber for the hitchhike murder which he confessed to committing.

In a plea for a stay, the doomed man's attorneys contend he cannot die in the gas chamber because he was convicted under a law that called for death by electrocution. Mississippi has done away with its electric chair in favor of a gas chamber.

The US Supreme Court refused to review the case. Judge Jordan ruled Monday, the difference in execution method was insufficient cause to issue a restraining order.

Sheriff John Egloff and deputy sheriff John Kachler were in Greenville for the hearing before Judge Jordan. They took Lewis to Parchman for the execution.

Pictured above in a dramatic moment in "Seven Keys to Baldpate" which opens tonight at the Bay St. Louis Little Theatre for a three-night run, are, left to right, Max Languirand, Mark Solomon, Roland Weston, Don McCutche, Dr. Chas. Wascom, Mildred Hamilton, Russell Chapman and Rev. Chas. Johnson.

WSCS CIRCLE 1 MEETS

Circle 1 of the WSCS of the First Methodist Church met Tuesday afternoon at the home of Mrs. A. C. Encinos, 506 N. Beach, with Mrs. Bragg and Mrs. Dinkeld as co-hostesses.

It was voted that a book be presented to the Memorial Library to be placed on the shelf reserved there for children's books in memory of Mrs. W. W. Stockstill.

Three-Day Celebration Planned Here By Legion Over 4th Of July Weekend

2 Die Instantly In US 90 Crash

James Howard Hand Jr., 45, and his wife, Ruth Laurie Hand, were killed early Monday morning in a head-on crash of their automobile and a heavy truck-trailer on Highway 90 in Bay St. Louis.

The Hands were identified by Kenneth Whitfield, owner of the Fahy Funeral home. Hand was a painter for the Seaboard Printing Co. in New Orleans and according to company records resided at 1803 Prytania St.

Shown above is the car in which two persons died instantly in a head-on collision with a truck on US 90 Monday morning.

The accident occurred about 12:30 a.m. Monday. The Hands were driving toward New Orleans from Mobile when their car crossed into the wrong lane where the four-way highway merges into a two-lane roadway.

The tractor section of the truck-trailer, owned by West Brothers, smashed into the car with such force that it rolled on top of the smaller vehicle, mashing it like a piece of cardboard.

Highway patrolman William Kenney, Kenneth Whitfield and garage mechanics worked for two hours on the wreckage before they could move it to a garage. After reaching a garage they worked for another hour and a half before the bodies could be extricated.

A doctor managed to get through the wreckage with a stethoscope and pronounced the couple dead long before the bodies were freed from the car. Witnesses at the scene of the crash said the Hands' apparently died instantly in the collision.

The driver of the truck was identified as George Bennett, believed to be from Pascagoula. He was taken to King's Daughters Hospital for treatment, and was abrasions and shock. He was discharged from the hospital Tuesday and reportedly returned to his home in Pascagoula.

Highway Patrolman Kenny said Bennett, driving toward Mobile, saw the car heading toward him into his lane and swerved to the right shoulder. Hand also evidently saw his mistake, and also swerved over to the same shoulder to try and get out of the truck's lane.

Whitfield said the couple were returning from Mobile where they had been visiting their daughter and Mrs. Hand's mother.

Hand was originally from West Virginia. The couple had resided in Mobile before going to New Orleans. Hand's employers said he had worked for them about three months.

The bodies were transferred to the Higgins funeral home in Mobile.

Patrolman Kenny said that much credit was due Kenneth Whitfield and his crew of men, and to Warren "Buck" Buehler and Lanthan Garriga, the latter of Porter's Garage, who supervised the recovery and worked to extricate the bodies from the wreckage.

Red Cross Issues Annual Report

RED CROSS VOLUNTEER SERVICE GROUPS ANNUAL REPORT JULY 1954 - JULY 1955

During the past year, 419 volunteers participated in the various service groups of the chapter. Also cooperating with the chapter in the work of the South Mississippi Volunteer Service Council, ARC, were numerous church, civic, social, fraternal and youth organizations in rendering service and other comfort articles to the patients of the Gulfport VA and Keesler Air Force Base hospitals.

In the Gulfport VA, Grey ladies assisted in the Recreation, Occupational Therapy and Clinical Psychology departments. Twelve party outings given here by different organizations and sponsored by the chapter were attended by a Red Cross chapter representative. Local business establishments and private individuals furnished materials for the Christmas toy project in the occupational therapy department, refreshments for ward parties, Sunday coffee hours for patients, Christmas gifts and numerous comfort articles during the year for patients.

Keesler AFB Hospital. Various organizations and individuals, notably among the teen-age group, furnished comfort articles, Christmas gifts and Easter baskets, and entertainment of the hospital.

Biloxi VA Hospital. Various organizations, business establishments and individuals furnished comfort articles and Christmas refreshments and decorations.

projects, for their cooperation and assistance in various Red Cross-sponsored projects for the hospitals.

Thanks and deep appreciation are extended to the local American Legion Auxiliary and the local Girl Scout Troops, both of whom have their own independently organized community service projects, for their cooperation and assistance in various Red Cross-sponsored projects for the hospitals.

Thanks and deep appreciation are extended to the three local newspapers, the Hancock County Eagle, Sea Coast Echo and the Light, for their fine coverage of volunteer service activities.

Very special thanks are expressed to Mrs. Elizabeth Weston, Executive Secretary of the chapter, for her keen interest and help over and above her regular duties, without which the volunteer activities of the Red Cross would be impossible.

Other volunteer activity in the chapter included:

Christmas-on-the-Sea project, exceeding the assigned quota, participated in the Armistice Day Parade, five talks by a Red Cross representative before local organizations, explaining the work and needs of volunteer services.

Meetings outside the chapter attended by chapter volunteers during the past year include:

Four quarterly meetings of S. Miss. Volunteer Service Council in the three hospitals.

Two meetings of the Council Executive Board (One of the 3 members-at-large is from the Hancock County Chapter).

Two chapter representatives were invited to participate in a Round Table discussion on volunteer activities. Participating in the discussions in New Orleans were members of the National and Southeastern Area Board and governors, members of Area Board and members of selected chapters of this area.

A chapter representative was invited to participate in a panel discussion of volunteer activities during an afternoon session of Area Staff conference held in Gulfport.

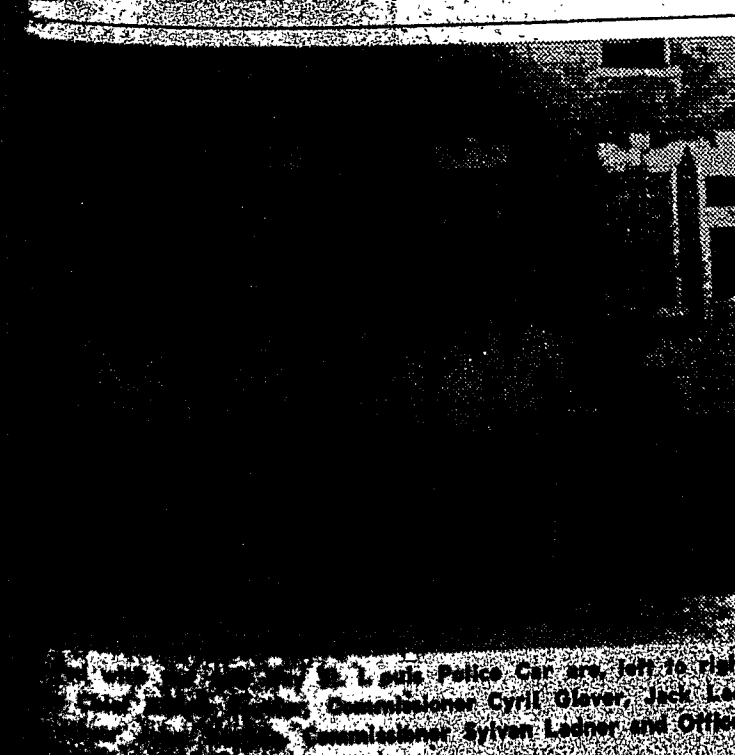

Chapter volunteers and recruits attended the fall and spring indoctrination courses given by the Gulfport VA staff.

Three chapter representatives from Keesler Field in May met with Red Cross personnel to discuss an expansion of local chapter service in the entertainment of patients in the base hospital.

Plans for the coming year include: Continuation of Council activities; additional recruitment of volunteers, particularly Ladies for Gulfport VA hospital and group service among boys and girls of 17-25 year old group; entertainment and supply of mites for service at Keesler; three hospitals; talks on volunteer service before organizations and introduction and certification classes in the fall for recruits. Staff Aid and Grey Lady branches.

Respectfully submitted, MRS. W. L. ARGUS, Service Groups Chairman, Hancock County Chapter, ARC.

Work To Start In Fall On \$200,000 Armory

Construction is scheduled to start on a new National Guard armory building during the last three months of this year. The building is being financed by the federal government, with an estimated total cost of between \$175,000 and \$200,000.

The new armory will be approximately 144 feet wide by 162 feet long, with adequate office space, various classrooms, large clothing and equipment space, a vault for weapons, and a complete motor service station to maintain equipment.

The building also will include a locker room with individual lockers, and a large work area for storage of bulk items of equipment.

The new armory will be situated on a site of approximately 15 acres adjacent to the Hancock County Airport, located about 1 1/2 miles from Bay St. Louis on the north of Highway 90.

The site was purchased last week from Mr. and Mrs. Henry B. Chapman by the Hancock County Board of Supervisors. The county will lease the site to the State of Mississippi for a period of 99 years, and the State will sub-lease the land to the Federal Government.

The local National Guard unit, Co. C, 890th Engr. Av. Bn., has been activated only since last October. From 19 men at the time of activation, the company strength has swelled to in excess of 70 men and two officers.

Primary mission of the local National Guard company is the maintenance and repair of aircraft, which makes the location of the armory at the airport exceptionally well suited for training purposes.

It is anticipated that surveys of the land, improvement of existing roads and other preliminary work will begin in the near future.

CAMP STANISLAUS OPENS

Camp Stanislaus opened June 19, with 160 campers from Louisiana, Mississippi, Texas, Alabama, Florida, Illinois, Ohio, New York, Mexico and Guatemala.

Assisting Brother Philip, the camp director, and the faculty of St. Stanislaus are Brothers Remigius and Eugene from Thibodaux College, Thibodaux; Brothers Sidney, Randall, Dean, Owen, Conan, Gabriel and Joachim from St. Aloysius, New Orleans; Brothers Barry, Dermott and Elbert from Catholic High, Baton Rouge;

From McGill Institute in Mobile are Brothers Alfonso and Edwin; Brothers Hilbert and Joseph from Catholic High School, Donaldsonville, and Brother Austin from St. Aloysius of Vicksburg.

Coaches Day and Adams of the St. Stanislaus coaching staff are also camp counselors. The camp is for five weeks duration, to end July 24.

What's Happened To All The Mosquitoes?

By DR. C. M. SHIPP

Have you noticed any difference in the mosquito population? We have been told, and it is the truth, that 90 per cent of our mosquito population come from local breeding. Now you have a practical demonstration of this fact.

Last week 230 gallons of mixed oil was sprayed into our ditches. The oil killed the wigglers and the fogging machine killed about 100,000 mosquitoes.

Still they say mosquitoes are blown in by the wind and are not bred locally.

They are blown out by the wind. If you consider that you are two miles from Bay St. Louis, see what happens. On a day when the wind is blowing from the south, the machine for seven days will spray as late as we will have same old nuisance to deal with again.

We got just what we got. If we just the live with us and spray the mosquitoes, we will have a better chance of getting rid of them.

Still they say mosquitoes are blown in by the wind and are not bred locally.

Is Buried Here
Brother Columban, a member of the Brothers of the Sacred Heart for a half-century, died Sunday at 4:30 a.m. at Mercy Hospital in New Orleans following a 10-day illness. He was 72.
A requiem high mass was celebrated at 7 a.m. Tuesday at Cor Jesu school chapel, 4001 Elysian Fields, New Orleans, following which the body was sent here for burial in the Brothers of the Sacred Heart cemetery. R. Landrum & Co. Ltd. was in charge of arrangements.
Brother Columban came to New Orleans on June 1 for an assignment in the teaching department at Cor Jesu school after serving in Muskogee, Okla.
A native of Wickburg, Miss., he was prior to entering the religious order John McElligott Jr. He is survived by a sister, Miss Katherine McElligott of Vicksburg. Brother Columban joined the Brothers of the Sacred Heart in 1895 and took final vows in 1905 in Metuchen, N. J. after making his early studies at Arthabaska, Canada.
During his career he served as principal at schools in Indiana, Ind., Fort Worth, Tex., and Baton Rouge and Thibodaux, La. He also taught at schools in Alexandria, Donaldville and at St. Stanislaus here.

Your sympathy is extended to the family of Mrs. Gertrude Casanova Moran who passed away Sunday at 12 p.m. She is survived by 2 brothers, Charles and Elliott Casanova, and 2 sisters, Mrs. Renee Sacerdote and Miss Birdie Casanova.
Horace Davis Jr. of Honolulu, Hawaii, is spending a month with his parents, Mr. and Mrs. Horace Davis Sr.
Guests of the W. W. McArthur last week end were Mrs. Adel Maffie, Glen Maffie, and Margaret McKinley of New Orleans.
Mrs. Evelyn Maestri of New Orleans spent last week end with her mother, Mrs. Jessie Wilkinson.
Miss Claudia Murphy celebrated her eighteenth birthday with a slumber party given by her sister, Mrs. George Laddner, at her home in Pearlington.
Miss Ruthie Bennett returned home Saturday from Girl's State which was held in Jackson at Belhaven College.
The Logtown Baptist Church is holding their Vacation Bible School. Children from the ages of 3 to 16 are invited to attend.
Miss Paula Kimbrell has returned from Brevard, N. C., where she attended Rockbrook Camp for girls.
DEPREO INFANT BAPTISED
Elus Depreo Jr., infant son of Mr. and Mrs. Depreo of Kiln, was baptised Sunday, June 19 at an nunciation church, Kiln, with the Rev. Paul McElde officiating.
Sponsors for the baby were Donald Green and Miss Barbara Laddner. Following the church service a reception was held at the home of the Depreos with close friends and members of the immediate family present.
Mr. and Mrs. Dan Russell spent several days the latter part of last week in Chicago, where Mr. Russell went on business. They returned home Tuesday. During their absence their three children stayed with their grandparents, Mr. and Mrs. Theo Tudury.

LOGTOWN Locals
BY CLAUDIA MURPHY
Your land may be sick but it may need a building treatment to help it do the job that must be done if it is to help meet future production needs. The suggestion comes from Fitzhugh Lee, Chairman of the Hancock County AGC Committee.
The chairman points out that too often conservation is considered only as a cure for sick land, keeping the gullies from getting bigger and the topsoil from getting thinner. The real problem is to make the land more productive. This conservation work, however, should be done in a way that does not prevent a farmer from making the most of his land for the future. It should improve the soil to assure the necessary increased production.
In going over his land the farmer should be concerned with the question—what can I do to make this land more productive? Once this question is answered, then it becomes a matter of determining what practices must be carried out first and how can Agricultural Conservation Program assistance be used more effectively to get the job done.
To illustrate, the first step to start the soil-building operation may be to establish a soil-building legume to correct the acidity. It may be that phosphate is necessary to assure good growth. If the soil is too acid, it will be necessary to first apply lime.
Or it may be that close-growing crops, contour farming, or terraces are necessary to conserve moisture and check soil erosion. Some land may contribute the most in conservation and production if planted to pasture or trees.

The Mississippi Travelers Association is advocating that the proposed Federal Highway Program be financed by general revenue appropriations or in some way other than placing it entirely on the already heavily burdened motorist. Frank Potts, President, said.
He states that the highway program now under consideration in the Congress is predicated upon the need for an expansion and relocation of the Interstate Highway System for national and civil defense, which would benefit the country.
Potts should the motorist be expected to pay the entire amount to develop this program for defense purposes? Potts asked, saying that in his opinion it should be shared equally by everyone the same as the cost of guns, ships, etc.
Potts pointed out that if the federal gasoline tax is increased 50 per cent it would represent a 52 per cent tax on the retail price throughout the state. An increase in the federal gasoline tax will also result in an increase in the state sales tax because the sales tax is a tax on the tax as well as on the price of the product.

MISSISSIPPI

Let 'er roll!

Real Cost of Telephone Service Is Down

For years now, the trend in the percentage of income which the average Mississippi family must pay for telephone service has been DOWN.

1954 15%

You might call it "The Dollar Express"—the 16 million dollar load of money our planners say it will take to expand and improve our facilities in Mississippi this year. Like the \$5 million dollars we've spent for construction in the state since 1945, this additional money must be secured from people who are willing to invest in telephone property. All they want is assurance that our earnings will be sufficient to provide a fair return on their money. As long as that's the case, we can continue to say "Let the Progress Train Roll!"

ward Baur, SVD, of Milwaukee, Wisconsin; Bernard Keller, SVD, Pittsburg, Pa.; Elmer Powell, SVD, Kansas City, Mo.; John Sheerin, SVD, Philadelphia, Pa.; and Francis X. Theriault, SVD, of Cambridge, Mass.

The newly-ordained will read their first Masses on Saturday morning, June 25 in the Seminary chapel. First Solemn Masses will be sung in the respective home parishes on July 3 and July 10.

These Divine Word Missionaries will complete their theological courses next school year and will receive their mission assignments in June, 1956.

The Very Rev. R. E. Pung, SVD, is rector of St. Augustine's Seminary.

NEW UNIVERSITY MEDICAL SCHOOL ALMOST COMPLETED

The state's new University Medical School and Teaching Hospital in Jackson is almost completed and is scheduled to open July 1, according to the State Building Commission.

The \$9,000,000 structure located on US Highway 51 on state property in the immediate north side of the city is considered one of the most modern plants of its kind in the nation.

Charity patients will be immediately moved into the new hospital but the regular school term will not begin until Fall.

It will be the first completely equipped medical school in Mississippi.

Today the library has shelved Mrs. A. J. Falkenstein's gift of 35 volumes of her gift of 35 volumes, all in good condition and which are the type books the public enjoys.

Beat Five, Hancock County

OVER TWENTY YEARS EXPERIENCE

WORKING WITH YOUNGSTERS

Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!

Meet the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

Daytona Beach, NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis, Chevrolet beat every high-priced car, too—but one! But wait—this is just the beginning!

Daytona Beach, NASCAR Straightaway Running. Open to cars delivered in Florida for \$2,500 or less. Chevrolet captured the first two places, 7 out of the first 11 places!

Daytona Beach, NASCAR 2-Way Straightaway Running. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet so overhauling or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet... and live in a land of going-away where you win all the arguments! Soon, maybe!

*National Association for Stock Car Auto Racing

Way, way ahead!

We Welcome All to Attend The
7TH ANNUAL MISSISSIPPI DEEP SEA
Fishing Rodeo
at
GULFPORT
July 1-2-3-4

Sponsored by the Joe Graham Post 119, The American Legion of Gulfport, Miss.

Officials
Hon. Gov. Hugh L. White
Hon. Mayor R. B. Meadows Jr.
Hon. Gen. Eugene Eubanks
Hon. Ed P. Ortte
Hon. Bob Redfield
Hon. W. T. Woleben
Hon. Charles F. Burril

Come to my fellow fishermen of all ages. We hereby invite you to participate in the sporting event in the history of the beautiful Gulf Coast the 7th Annual Mississippi Deep Sea Fishing Rodeo. This great festival is sponsored by Joe Graham Post 119, American Legion, Gulfport, and is supported by the entire City and County. What is more the business professional men of the entire Coast Area whose contributions the more than \$3,000 was made possible.

On the shores of the Mississippi Coast, the playground of the South, you will find the best in hotel accommodations, public and private, and what is more the business professional men of the entire Coast Area whose contributions the more than \$3,000 was made possible.

This year promises to be a banner year—the prizes are the best, the fishing is the best, and we have for your pleasure a wide variety of outside diversions. We will be so glad you make our Rodeo complete.

Vice President
ED A. ORTTE

Personals

Mrs. Florence Mitchell, resident of Bay St. Louis, is spending two weeks in town visiting relatives and friends. Mrs. Mitchell, who left the Bay during the middle-forties, lived for several years in San Antonio, and later in Baton Rouge. She is now making her home in Algiers.

Mrs. Frank Stubbs, Beaumont, Texas, is spending two weeks visiting her father, Joseph Murrows and her brothers, Billy and Gary.

Mrs. and Mrs. Harold Weston have had their six grandchildren spending this week with them. They are the children of Mr. and Mrs. Paul Laocoe of Gulfport, and Mr. and Mrs. Edwin Porter Jr. of Bay St. Louis.

Mrs. and Mrs. Charles Sciana entertained Sunday afternoon at their home on Felicite St. for their son "Chuckie" who celebrated his second birthday. A birthday cake, lighted in the traditional manner, with ice cream and other party goodies were enjoyed by the many little friends invited to enjoy the affair.

Mrs. Emile Dubuc of New Orleans is the guest this week of her sister, Mrs. Rene deMontoluzin Sr. and Mrs. Charles Moreau.

Among those attending the Kennedy-Gilmer wedding last week in New Orleans was Mrs. Charles Moreau of Bay St. Louis.

Mrs. Winnard Carter has been the recipient of many honors during her visit on the coast. A former resident of Pass Christian, she and Mr. Carter are now residing in Houston. They are here for the summer. Last Thursday, Mrs. E. E. Allgeyer and Mrs. J. R. Scharf entertained at a luncheon followed by card playing at the home of Mrs. Allgeyer in Waveland, honoring Mrs. Carter, and Tuesday of this week Mrs. H. A. Eldredge was hostess with a luncheon at her home entertaining Mrs. Carter and a group of her friends.

Miss Darling Normand spent Father's Day with her parents, Mr. and Mrs. James Normand at their home, Dorwood on the Jordan. Miss Normand is residing in New Orleans with her grandmother while attending Soule Business College. Miss Linda Normand is spending a week in New Orleans visiting her aunt, Mrs. A. Lopez.

Lt. and Mrs. Ray Stieffell and two children, Sally and Woody, of Fort McClelland, Ala., spent a twelve day leave with Mrs. Stieffell's parents, Mr. and Mrs. Henry B. Chapman.

Mrs. V. J. Franciewicz of Hampton, Va. with her two children, Franya and V. J. Jr., are guests of her sister, Mrs. Charles Carter and Mr. Carter at their home on Union St.

Educator to Visit State For First Time

The Ninth Annual Education Conference to be held at the University of Mississippi June 21-22 will bring one of the outstanding educators in America to Mississippi for the first time.

Dr. Worth McClure, Executive Secretary of the American Association of School Administrators, will open the conference with a discussion entitled "How Good is the Organization and Administration of Our Schools."

Dr. McClure is holder of a doctor of education degree from Teachers College, Columbia, and has received the LL.D. and Ed.D. honorary degrees from College of Puget Sound and Simpson College. He began his career as a teacher and principal in the public schools of Washington and rose to assistant superintendent of schools in Seattle.

From October 1943 to January 1944, Dr. McClure visited the United Kingdom at the invitation of the British Board of Education for the purpose of observing school practices and holding two-way educational discussions with educationists, lay citizens and pupils.

In 1950 he visited German schools in the American zone at the invitation of the U. S. Department of State and High Commissioner McCloy.

Dr. McClure is a frequent contributor to educational magazines and yearbooks. He has been Executive Secretary of the AASA since July, 1946.

Mrs. Kay Kramer Becomes Bride of Al Thomas, J. Jackson

Main Street Methodist Church was the scene Monday evening of a lovely wedding when Miss Kay Kramer, daughter of Mr. and Mrs. George Kramer became the bride of Thomas J. Jackson, A1c USAF.

The double ring ceremony was performed by the Rev. Charles Schulte. Mrs. J. B. Goldman was organist, and Mrs. Schulte sang "Because" preceding the ceremony.

The bride entered the church on the arm of her father, who gave her in marriage. She was radiant in white tulle and lace gown, patio length, with fitted bodice and bouffant skirt. The fingertip length illusion veil was held to the head with a cap of lace. She wore short lace and tulle gloves and carried a single white orchid mounted on a white Bible. Her attendants were dressed in similar frocks of cerulean blue tulle and lace, they wore crownless hats made of tulle on wire frames, with streamers of the tulle down the back and carried round bouquets of pink roses. They were Betty Jane Hartsfield, maid of honor; Janet Breland, bridesmaid; Eva Kramer and Denise Tonkel, Junior bridesmaids; Martha Ellen Batson, flower girl.

The little flower girl was dressed like the bridesmaids.

The bridegroom and groomsmen wore dress uniforms of the Air Force. Best man to the bridegroom was Harry Taylor, A2/c USAF. Groomsmen were James Kramer, A3/c, USAF, Denise Tonkel and Frank Ross, A1/c were ushers.

The church was decorated with white gladioli and ivy leaves. White tapers were placed on either side of the altar, and white satin ribbons used on the pews.

A reception followed immediately in the annex of the church. The wedding party received in a spot between tall standing baskets of white gladioli.

The bride's table was laid with an imported Chinese embroidered cloth over a pink undercloth. The wedding cake was in the shape of a heart tiered and ornamented with a bride and bridegroom in an Air Force uniform standing under a wedding bell in a bower of pink rosebuds. The cake was in bluish pink with pink rose buds for trimming, and was placed on a heart shaped board covered in pink satin and outlined with tulle and ribbon ruching. Petit fours and mints carried the same colors and trim.

Mrs. Kramer, mother of the bride chose a lace frock in pale pink with hat and accessories in the same shade. She wore a corsage of fleur de lis.

Following the reception the young couple left on a wedding trip to North Carolina. The bride chose for traveling a dress of blue linen with embroidered basque waist and full skirt. She wore a white hat and white accessories, and the orchid from her bouquet. The young couple will make their home in Selma, Ala.

MISS KAY KRAMER BECOMES BRIDE OF A1c THOMAS J. JACKSON

Main Street Methodist Church was the scene Monday evening of a lovely wedding when Miss Kay Kramer, daughter of Mr. and Mrs. George Kramer became the bride of Thomas J. Jackson, A1c USAF.

The double ring ceremony was performed by the Rev. Charles Schulte. Mrs. J. B. Goldman was organist, and Mrs. Schulte sang "Because" preceding the ceremony.

The bride entered the church on the arm of her father, who gave her in marriage. She was radiant in white tulle and lace gown, patio length, with fitted bodice and bouffant skirt. The fingertip length illusion veil was held to the head with a cap of lace. She wore short lace and tulle gloves and carried a single white orchid mounted on a white Bible. Her attendants were dressed in similar frocks of cerulean blue tulle and lace, they wore crownless hats made of tulle on wire frames, with streamers of the tulle down the back and carried round bouquets of pink roses. They were Betty Jane Hartsfield, maid of honor; Janet Breland, bridesmaid; Eva Kramer and Denise Tonkel, Junior bridesmaids; Martha Ellen Batson, flower girl.

The little flower girl was dressed like the bridesmaids.

The bridegroom and groomsmen wore dress uniforms of the Air Force. Best man to the bridegroom was Harry Taylor, A2/c USAF. Groomsmen were James Kramer, A3/c, USAF, Denise Tonkel and Frank Ross, A1/c were ushers.

The church was decorated with white gladioli and ivy leaves. White tapers were placed on either side of the altar, and white satin ribbons used on the pews.

A reception followed immediately in the annex of the church. The wedding party received in a spot between tall standing baskets of white gladioli.

The bride's table was laid with an imported Chinese embroidered cloth over a pink undercloth. The wedding cake was in the shape of a heart tiered and ornamented with a bride and bridegroom in an Air Force uniform standing under a wedding bell in a bower of pink rosebuds. The cake was in bluish pink with pink rose buds for trimming, and was placed on a heart shaped board covered in pink satin and outlined with tulle and ribbon ruching. Petit fours and mints carried the same colors and trim.

Mrs. Kramer, mother of the bride chose a lace frock in pale pink with hat and accessories in the same shade. She wore a corsage of fleur de lis.

Following the reception the young couple left on a wedding trip to North Carolina. The bride chose for traveling a dress of blue linen with embroidered basque waist and full skirt. She wore a white hat and white accessories, and the orchid from her bouquet. The young couple will make their home in Selma, Ala.

"Let us show you how easy it is to drive a CHRYSLER!"

Chrysler owners know it and we'd like you to know it—Chrysler is winning performance honors, hands down!

Come prove it to yourself by taking the "100-Million-Dollar Ride!" It's a driving thrill that no other car can give you... with America's finest family of V-8 engines to choose from... up to 300 hp; mightiest of all Teamed, mind you, with PowerFlite automatic no-clutch drive... which for honey-smooth take-off power leaves even "second best" out of sight!

Chrysler is a big car. Low, long and sleek. It has fashion experts coining new terms to fit it, and "tailored steel." Yet, thanks to countless exclusive drive-features (all Chrysler-originated) it handles as easy as a wave of your hand. There's Full-time Power Steering, for one. Chrysler Power Brakes, for another. Extra large... extra easy to apply... extra safe stopping power!

That's why we say you're not only miles ahead in a Chrysler, but years ahead as well. Isn't now a good time to start picking the field in the car that's the big news of 1955? We're ready to start you off—the minute you say when!

COME TAKE THE CHRYSLER "100-MILLION-DOLLAR RIDE!"
GOOD DRIVERS DRIVE SAFELY!
